

AFR Foundation

Good Samaritan Program

Program Description

The AFR Foundation is proud to support our members through the Good Samaritan Program, a special initiative created to lend a helping hand to AFR families battling cancer. Through this program, eligible AFR members will receive a \$100 fuel gift card to help ease the burden of travel to and from medical appointments, treatments, and other essential needs.

This one-time assistance is our way of showing care, compassion, and solidarity during one of life's most challenging journeys. At AFR, we believe in standing beside our members when they need it most, and the Good Samaritan Program is another way AFR Foundation strives to make a meaningful difference.
